

across the district, because it is clear that existing food banks and CAB are only reaching about 30% of those in need. Lower speed limits A1141 Hadleigh to Semer My last report mentioned my application to reduce speed limit on this road between Stone Street and Letts swimming pool from 60mph to 40mph. This has now been approved, though funding must be found by Semer parish council and it may be some time before it will actually be installed.

4. Minutes of meeting s

Minutes of meeting held September signed by chair

5. Public Forum.

Stuart Barbrook asked council if they knew any reason there was someone measuring and marking road near Swift's manor, no one on the council was aware of this.

Chair invited Mr Spillane to present his proposed plans for Murray Farm, which is a proposed development on Hall Road, to date there has not been a formal application for this development. Mr Spillane has both plans and pictures on a laptop which were shown to members of the public. The paper plans have been left with the Parish Clerk if anyone wants to see these. Lyn Davies wanted it to be noted that she is very upset by this ~~proposed~~ development. Mr Spillane left the meeting.

Proposed plan

Val Gutteridge gave the clerk a plan numbered SK117952, which clearly show the access to proposed development next to her property would require access over her land. Clerk will bring this to the attention of the planning department.

6. Clerk's Report:

Clerk confirmed that any payments that have been due have been paid by her, so will be recouped once the new account has been opened.

Details of Chair and vice chair are required to complete the Nat West application, arrangements were made at the meeting to speak to Peter Korwin on Monday and Sara Whymark on Tuesday to complete the application form.

I have reported again to Babergh Council with regards to the dog waste bin on Whelp Street at the end of bridle way is not being emptied

7. Councillors reports

none
