David Goode from May Cottage the Street has asked if the council will look into the matter of the land to the west of Field View should be left as a natural area. It was part of the planning permission.

Several members of the public asked questions about a proposed development on Hall Road, clerk had contacted the council with regard to a substantial gate being erected and a roadway being created, there had not been a planning application for this following correspondence from residents in Whelp Street . Owner of the land was at the meeting and tried to answer questions regarding the proposed stabling of pregnant horses at a property the will be known as Murray Hall Farm. Mr Spillane would like to bring a full presentation of the proposed development to the next council meeting on 21<sup>st</sup> November , this was accepted by the council.
